Re: Corporate Status

To Whom It May Concern:

I am writing in response to a notice I have received concerning the dissolution of Focal Point Photography, Inc. I never received the uniform business report notices that were mentioned in the recently received notice from your office.

I finally was able to see my attorney. I asked him if he had received the notices due to the fact he is the registering agent. His response was negative.

I, personally, have been taking care of the bookwork for the corporation since March of this year. I know that I have not received the notices until this last notice of dissolution. To what address were the first notices sent? I would like to know so that I can try and prevent a late filing from occurring in the future. The only change in the corporation mailing address was the zip code. That should not have prevented the delivery of previous notices.

I am enclosing a check for \$150.00 necessary to file a for-profit corporate report. Should you require anything more, please contact me. Thank you for your assistance. I am sorry for any inconvenience due to the report being filed late.

Respectfully,
