To whom it may concern :

On April 2001 the Corp. of reference file for the annual report and sent the check for the Fee. Because of a misunderstanding, we never report the company FEI number. After this failure on August we receive a new application claiming for our payment and filing. At this time we contact by phone the Division of Corporations and we have been told about our mistake. As all the company documents were abroad (Argentina), and the owner in Europe there were not immediate possibility to submit the correct application with the FEI number. We tried to get this information from the IRS, but we receive negatives and delays all the times we request it explaining them our problem. Finally we found the number and we are attaching it to the report.

~~It is our hope you can understand this problem and correct and solve our corporate situation. You'll find in our file that the payment was received on time. But the number of reference was missed.~~

Please let us know ASAP, the possibility of having this problem fixed.
