Dear Sir or Madam:

In regard to the enclosed Uniform Business Report, I have completed the form as required by Florida Department of State. I was, however, unaware of both the existence of this form and the requirement for filing until I received the notice imposing a \$400.00 late fee.

I am the owner of a very small business with no employees; my business is run by one person. I usually put aside any documents I receive from the government so that I may go over them with my accountant to be advised on the appropriate action to take, but I don't recall ever receiving the first request for the Uniform Business Report. The year 2001 was my first year in business, and was a very difficult one. In February 2002, a man that was going to take over some of my accounts instead stole most of my inventory, which I have never recovered. It is quite possible that the form was with some of the paperwork that was stolen from the office.

While I understand that keeping up to date with the requirements of state and federal governments is my responsibility, I am still learning, and have apparently not yet learned all the requirements. Please accept the enclosed check for the original \$150.00 filing fee with my assurance that I will file in a timely manner next year. Please feel free to contact me or my husband, Ken Florko, if you have any questions.

Respectfully,

Sherryl K. Florko
