To Whom It May Concern:

The week of July 9th -13th I received a notice in the mail to file my 2001 Uniform Business Report and it would now be a fee of \$550.00. Confused as to why the fee was so much I had my assistant call and get some information. She spoke with a gentleman by the name of Brian and was advised to send a check for \$150.000 along with filing and write a letter explaining that this was the first notice I have received.

Being that we are a new corporation, I was unaware of any required filing fees. I hold several professional licenses in the state of Florida and have always received notification of fees due and have remitted the same.

I am a small, struggling business spending a lot of money for license's and such just to run our business. I can not afford to pay an extra \$400.00 on such error as not receiving notification.

I assure you this was the first notice I received and gave it the proper attention immediately. This will not happen again as I'm now aware of an annual filing fee. I will be sure to mark my calender.

Thank you in advance for your consideration and understanding. It is a pleasure to work with those who endorse the efforts of small businesses working to succeed.

Sincerely,

Dael Sidney PA
