Re: P00000117625

I called your office today and inquired about why we had received the enclosed letter. Our company had only become Incorporated December 28, 2000. We had not even received our Incorporation papers until mid January. How could we possibly file the papers until we received them. This is the first time I have seen or received these papers. Per my conversation with Kathy in your department I have enclosed my check and the completed application and a letter of explanation. Should you require any further information please feel free to contact my office at the above number. Thank you

Sincerely,

Kenneth Erickson
President
