Madison County, in cooperation with the U.S. Postal Service has officially named all streets, public and private, in the county and has assigned location numbers to residences and businesses on those streets. This 911 Program, also known as Locatable Addressing, was done to assist emergency personnel to easily locate your house or business in an emergency situation. The system also assists delivery by commercial firms, and is increasingly being used for real estate transactions.

THIS IS YOUR NEW MAILING ADDRESS IF YOU RECEIVE YOUR MAIL AT YOUR HOME OR BUSINESS. IF YOU RECEIVE YOUR MAIL IN A POST OFFICE BOX THERE WILL BE NO CHANGE IN THAT MAILING ADDRESS.

Please begin using this new address immediately. It is your responsibility to inform your correspondents of this change using form 3576 cards available at any Post Office. The above address is permanent for this location and will not change as postal routes may change.

We urge you to consider putting your new number on the building as soon as possible to help your local fire, rescue and police departments find you in an emergency.
