Several days ago a correction in Article III of the enclosed document was made. However, after reviewing the total document, there is yet further corrections of importance and therefore necessary to be made. For example, in item one "to distribute and create" could be assumed to mean to publish also. But for the sake of clarity to publish" has been added. Additionally, a third item has been added to broaden the scope of distribution service. I am enclosing the corrected documents and requesting that they be used in lieu of the documents on file.

Enclosed is a check for \$35.00. If however, there no fee charged for this transaction, please return the enclosed check along with a copy of the documents bearing the designated stamp. Your consideration in this matter is greatly appreciated.

Respectfully yours,

Esther Frances Burns
