The fee to file the Uniform Business Report after May 1 is \$550.00, which includes a late fee of \$400.00. The first notice report was mailed in January and was due by May 1, 2002 to avoid the late fee. If you never received the first notice, you need to complete the second notice that you have now received and mail it into this office with a check for \$150.00 and a letter explaining that you did not receive the original notice.

I just received this report to file now for a fee of 550 dollars. Being a new business this is the first ever report I have received, and was wondering why it is so much.

thank you
