LITE WIRE MANUFACTURING

24 July 2002

Division of Corporations  
P.O. Box 1500  
Tallahassee, FL 32302-1500

Lite Wire Electronics is enclosing a UBR for the last calendar year. Our Registered Agent immediately prepared this UBR yesterday when a review of our Corporate records indicated this had not been filed. We were informed by our Registered Agent that typically a preprinted form is sent by the Division to Corporations for completion. Lite Wire Electronics did not receive such a form. We suspect that the change of P.O. Box numbering at the DeBary Post Office may have contributed. Due to many problems with the P.O. Box we have changed mailing address to our physical location.

We apologize for the delinquency of this filing and as it is our first, would appreciate the Division waiving the penalty fee. We assure the Division that all subsequent filings will be accomplished in a timely manner. All of our other State and Federal filings have been accomplished at the proper time.

If this is not satisfactory, please let me know at the earliest date.

Sincerely,

Dan Roper  
President
