#### **10. Management.**

Subject to the provisions of the laws of the State of Florida, the following provisions are adopted for the management of the business and for the conduct of the affairs of the Corporation, and for defining, limiting and regulating the powers of the Corporation, the directors and the stockholders:

- (a) The books of the Corporation may be kept outside of the State of Florida at such place or places as may from time to time be designated by the Board of Directors.
- (b) The business of the Corporation shall be managed by its Board of Directors; and the Board of Directors shall have power to exercise all the powers of the Corporation, including (but without limiting the generality hereof) the power to create mortgages upon the whole or any part of the property of the Corporation, real or personal, without any action of or by the stockholders, except as otherwise provided by statute or by the Bylaws.
- (c) An increase in the number of directors shall be deemed to create a vacancy or vacancies in the Board of Directors, to be filled in the manner provided in the Bylaws. Any director or any officer elected or appointed by the stockholders or by the Board of Directors may be removed at any time, in such manner as shall be provided in the Bylaws.
- (d) The Board of Directors shall have power to make and alter Bylaws, subject to such restrictions upon the exercise of such power as may be imposed by the stockholders in any bylaws adopted by them from time to time.
- (e) The Board of Directors shall have the power, in its discretion, to fix, determine and vary, from time to time, the amount to be retained as surplus and the amount or amounts to be set apart out of any of the funds of the Corporation available for dividends as working capital or a reserve or reserves for any proper purpose, and to abolish any such reserve in the manner in which it was created.
- (f) The Board of Directors shall have the power, in its discretion, from time to time, to determine whether and to what extent and at what times and places and under what conditions and regulations the books and accounts of the Corporation, or any of them, other than the stock ledger, shall be open to the inspection of stockholders; and no stockholder shall have any right to inspect any account or book or document of the Corporation, except as conferred by law or authorized by resolution of the directors or of the stockholders.

- (h) In case the Corporation shall enter into any contract or transact any business with one or more of its directors, or with any firm of which any director is a member, or with any corporation or association of which any director is a stockholder, director or officer, such contract or transaction shall not be invalidated or in any way affected by the fact that such director has or may have an interest therein which is or might be adverse to the interests of the Corporation, even though the vote of such director might have been necessary to obligate the Corporation upon such contract or transaction; provided, that the fact of such interest shall have been disclosed to the other directors or the stockholders of the Corporation, as the case may be, acting upon or with reference to such contract or transaction.
