I am writing to you concerning the \$550.00 fee with this report.

I am ^{only} co-owner of this store, where in lies the problem. On June 28, '02 my partner literally "ran away from home", deserting her husband, her family and the business. She is home now but I haven't spoken to her in 10 weeks now as she and her husband have decided that she is under too much stress and will not be returning at all. We are now in the beginning stages of negotiating a buy-out.

Now we come to the issue of this report. On August 15, my partner's husband walked into my office and dropped this report on my desk. (The address is her home address thus why I didn't receive it until 8/15.)
