Re: Going Bistro, Inc. (Document # P01000018152)

Gentlemen:

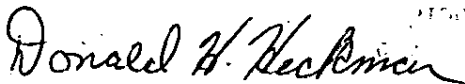

Recently our client received a Notice of Administrative Dissolution or Revocation of their Corporate Charter. The reason for the Dissolution was because our client failed to file the 2003 Annual Report. We have reviewed our client's files and discovered that they did not receive the original report nor did they receive the reminder report. Because they did not receive these reports they were unaware of the filing requirements.

Had we, as their accountants, received the report we would have made a copy and forwarded the document to them for signing, issuance of check and filing of the require document. A review of our records indicates that our office did not receive these documents and therefore could not forward them to our office.

Enclosed please find the properly completed and executed annual report along with our check (#4134) in the amount of \$150.00. This represents payment of the original fee due with this return. We now have this item on our calendar year and this should not happen again in the future. We apologize for this error and will do everything possible to prevent this from happening in the future. Please accept this return and payment as timely filed and reinstate our client's business as current and in good standings.

If your office requires further information or wishes to discuss this matter please feel free to contact the undersigned at (941) 756-1146.

Sincerely,

Donald H. Heckman - President
