Uniform Business Report  
Division of Corporations  
P.O.Box 1500  
Tallahassee, FL 32302-1500

To whom it may concern,

I have been self employed as of January 1, 2002 and am learning a lot as I go through this process. One of the lessons learnt has to do with a company called Corporation Creators. I was put in touch with this company through a payroll firm, and told that they would handle the registration of my company. I got a letter from them, telling me that I owed \$140.00, which I payed on January 10, 2002 (copy enclosed)

Now six months later I called your office to file myself as the Registering Agent, moving forward, and was informed that I never filed this year. I never received an Annual Report because Corporation Creations were my agents, and I relied on them to do the right thing! I called them and explained my concerns, but have been told that "Someone" will get back to me.

I am sending the necessary paperwork and a check for \$150. Please understand that I was truly not aware of any delinquency on my part because I had followed through with all the correct steps. I would really appreciate some leniency in this particular situation, and promise you that this will never happen again.

Sincerely

Rasheeda Butler
