Dear Sirs,

David Acosta, my client and president of the above-mentioned corporation, is now enclosing the UBR 2002. The reason for the lateness and why we feel that the late filling penalty should be waived is due to the following:

This is the first year in which this corporation has to file the UBR report since it was incorporated in 2001. My client was not aware of the filling deadline and his reading comprehension is not very good. I had to read the document for him so he could understand. Since this is the first time that the UBR for this corporation is late, we feel that a waiver should be granted.

Also, due to unforeseen problems with the emergency sprinkler system in our offices, the office was flooded on two separate occasions and many documents were damaged, lost or misplaced. This is not the fault of my client nor was there any disregard for the law on the part of our office towards the state.

Please give my client a chance. Now that I have explained the filling requirements of the UBR report to him, he will be sending them on time in the future.

Thank you,

Richard F. Toro
President
