Alert Received July 2, 2004. Re: MHW International Inc.

Thank You for your alert post card. I believe there has been an error, and to the extent I am to fault, please accept my apology?

During the past 3 or 4 years we have sent you \$150. each year for MHW International Inc. If you did not receive the \$150. this year, it is enclosed. If you DID receive it, please destroy the check?

Let me explain, please.

Our company, MHW-Int'l is registered and operating in Taipei, Taiwan, ROC. We successfully began, developed and built that Marketing business in Taiwan, beginning in 1994. We lived and worked in Taiwan for approximately 7 years [beginning in 1994] before moving to Florida in year 2000 [late in that year.]

WE never lived nor worked in Florida prior to year 2000.

When we moved to Florida, we hoped we could find Florida businesses receptive to our business model which works so well in other parts of the USA and many other countries. However, we have found NO business in Florida; we have found NO businesses in Florida who have interest to do business in greater China [strange, since so many other companies in other states find China to be ready to do business]?

However, facts are facts.

We started discussing business potential with Florida's offices in Taipei, and found your people in Taipei to be Very interested in having us find / source business for them IN Florida. We discussed the opportunities, procedures and methodology with your Florida office in Taipei for more than 6 months. They were terrific to work with. We charged them nothing!

They recommended we speak with the Taiwan office in Miami, and they asked us to contact Enterprise in Tampa, when we arrived in the USA.

WE did both, and in fact, traveled to Miami several times making presentations, building relationships, and spending money! They finally said we should devote our time and efforts with Enterprise. They told us who to contact and we did contact Enterprise in Tampa. They did everything in their power to stone wall us.

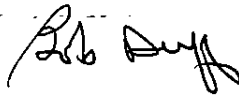

They would not even permit us to make a presentation. They refused us even before knowing what we offer, what we do, what we can bring to businesses in Florida.

That brings us to your alert! Before doing anything in Florida, and before contacting anyone in Florida about our business and our company services, we decide to be Good Citizens and get incorporated. Therefore, we did. It cost us more money to do that as you know and obligated us to an annual fee [which we did not know about, but that's OK.

We do NOT do any business in Florida. We do NOT, nor have ever earned a dime in Florida. We do Hope that will change soon? We do want to do business in Florida as we would like to stay here. We do hope that will change one day. Maybe one day someone like you might suggest a name, a company, an opportunity for MHW International!

Meantime, we do want to continue our business name [just in case.]. Please help us?
Tell us what else you might need? If the reason you are writing is other than the need for the enclose check, please tell us what else you need us to do? Thank You.

Robert S. Duff – Managing Director.

Note: By the way, both my wife and I speak the preferred Chinese language fluently, and our English is fine as well. Our business model works best for companies/organizations in the health care, pharmaceutical and financial services industries.
