**ARTICLES OF AMENDMENT TO  
SECOND AMENDED AND RESTATED ARTICLES OF INCORPORATION OF  
IMAGINAIL CORPORATION**

**AMENDING THE PREFERENCES, RIGHTS AND  
LIMITATIONS OF  
ITS SERIES A PREFERRED STOCK**

Pursuant to Section 607.1003 of the Florida Business Corporation Act ("FBCA"), ImagiNail Corporation, a Florida corporation (the "Corporation"), does hereby certify as follows:

**FIRST:** By resolutions duly adopted on November 25, 2003, the Board of Directors of the Corporation approved an amendment (the "Amendment") to the Second Amended and Restated Articles of Incorporation of the Corporation amending the powers, preferences, rights, restrictions, and other matters relating to the Corporation's Series A Preferred Stock. Pursuant to Section 607.0704 and Section 607.1004 of the FBCA, the Amendment was approved by written consent of the holders of the outstanding shares of Series A Preferred Stock, effective November 25, 2003. The number of votes cast by such voting group was sufficient for approval of the Amendment by such voting group. No other voting group was entitled to vote on the Amendment.

**SECOND:** Section 4 (including subparagraphs (a) through (g) thereof) of Article V of the Corporation's Second Amended and Restated Articles of Incorporation is hereby deleted in its entirety and the following Amendment is hereby adopted:

**SECTION 1. *Designation and Amount.***

1.1 The shares of this series of Preferred Stock shall be designated as Series A Preferred Stock and a number of shares constituting such series shall be 5,000,000 shares, par value \$0.01 per share. The Series A Preferred Stock shall rank on a parity with the Corporation's Series B Cumulative Convertible Preferred Stock (the "Series B Preferred Stock") with respect to dividends and junior to the Series B Preferred Stock with respect to liquidation. The Series A Preferred Stock shall rank on a parity with the Corporation's Series C Cumulative Convertible Preferred Stock (the "Series C Preferred Stock") with respect to dividends and junior to the Series C Preferred Stock with respect to liquidation.

**SECTION 2. *Dividends.***

2.1 The holders of Series A Preferred Stock shall be entitled to receive a dividend at the rate of \$0.04 per share (as adjusted for any stock dividends, combinations or splits with respect to such shares) per annum (such amount, the "Preferred Dividend"), payable out of funds legally available therefore. Such dividends shall be payable only when, as, and if declared by the Board of Directors and shall be noncumulative except that if the Series A Preferred Stock has not been automatically converted to Common Stock pursuant to Section 6.1 below by December 1, 2004,

Fax Audit No.: H03000325301

Fax Audit No.: H03000325301

dividends upon the Series A Preferred Stock shall begin to accumulate from that date and shall be due and payable quarterly in arrears. Accrued but unpaid dividends shall not bear interest.

2.2 No dividends (other than those payable solely in the Common Stock of the Corporation) shall be paid on, nor shall the Corporation make any purchase or redemption of, or any sinking fund payment for the purchase or redemption of, any Common Stock or any other capital stock junior to the Series A Preferred Stock as to the payment of dividends of the Corporation during any fiscal year of the Corporation until dividends in the total amount of the Preferred Dividend per share on the Series A Preferred Stock shall have been paid or declared and set apart during that fiscal year and in which dividends on the Series A Preferred Stock accumulated but remain unpaid.

2.3 All dividends declared on shares of Series A Preferred Stock, Series B Preferred Stock, Series C Preferred Stock and any other capital stock on a parity with the Series A Preferred Stock as to the payment of dividends shall declared pro rata, so that the amounts of dividends declared per share on the Series A Preferred Stock and such other stock for the dividend period of the Series A Preferred Stock ending either on the same day or within the same dividend period of such other stock shall, in all cases, bear to each other the same ratio that accrued dividends per share on the shares of Series A Preferred Stock and such other stock bear to each other.

2.4 In the event the Corporation shall declare a dividend or other distribution (other than any distribution described in Sections 3 or 4) on shares of Common Stock payable in cash, equity securities of the Corporation (other than equity securities as to which an adjustment is made to the Series A Conversion Price pursuant to Section 6), securities of other persons, evidences of indebtedness issued by the Corporation or other persons, assets (excluding cash dividends) or options or rights to purchase any such securities or evidences of indebtedness, then, in each such case the holders of the Series A Preferred Stock shall be entitled to a proportionate shares of any such dividend or other distribution as though the holders of the Series A Preferred Stock were the holders of the number of shares of Common Stock of the Corporation into which their respective shares of Series A Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock of the Corporation entitled to receive such distribution.

### SECTION 3. *Liquidation Preference.*

3.1 In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, subject to the rights of the holders of Series B Preferred Stock, the Series C Preferred Stock, and any other capital stock senior to the Series A Preferred Stock as to liquidation to receive the preferential amounts to which they are entitled before the holders of the Series A Preferred Stock receive any liquidating distributions, the holders of the Series A Preferred Stock shall be entitled to receive, prior and in preference to the holders of Common Stock or any other capital stock junior to the Series A Preferred Stock as to liquidation, the amount of \$0.35 per share (as adjusted for any stock dividends, combinations or splits with respect to such

Fax Audit No.: H03000325301

shares), respectively, plus all accrued or declared but unpaid dividends, if any, on such share for each share of Series A Preferred Stock then held by them. If upon the occurrence of such event, the assets and funds thus distributed among the holders of the Series A Preferred Stock shall be insufficient to permit the payment to such holders of the full aforesaid preferential amount, then the entire assets and funds of the Corporation legally available for distribution shall be distributed ratably among the holders of the Series A Preferred Stock in proportion to the preferential amount each such holder is otherwise entitled to receive.

3.2 After payment to the holders of Series A Preferred Stock of the full preferential amount which they are entitled to receive, the entire remaining assets and funds of the Corporation legally available for distribution, if any, shall be distributed among the holders of the Common Stock, the Series A Preferred Stock, the Series B Preferred Stock and the Series C Preferred Stock in proportion to the shares of Common Stock held by them and the shares of Common Stock which they then have the right to acquire upon conversion of the shares of Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock then held by them, until the amount received by each holder of Series B Preferred Stock pursuant to this Section 3.2 equals \$0.284 per share of Series B Preferred Stock (as adjusted for any stock dividends, combinations or splits with respect to such shares).

3.3 After payment to the holders of Common Stock, Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock of the amounts set forth in Section 3.2 above, the entire remaining assets and funds of the Corporation legally available for distribution, if any, shall be distributed among the holders of the Common Stock and Series A Preferred Stock in proportion to the shares of Common Stock held by them and the shares of Common Stock which they then have the right to acquire upon conversion of the shares of Series A Preferred Stock then held by them.

3.4 For purposes of this Section 3.4, (i) any acquisition of the Corporation by means of merger or other form of corporate reorganization in which outstanding shares of the Corporation are exchanged for securities or other consideration issued by another entity (other than a mere reincorporation transaction or other transaction in which the holders of the voting securities of the Corporation immediately prior to such merger or reorganization own more than 50% of the surviving entity's voting securities immediately after such merger or reorganization) or (ii) a sale of all or substantially all of the assets of the Corporation, shall be treated as a liquidation, dissolution, or winding up of the Corporation and shall entitle the holders of Series A Preferred Stock to their liquidation preference set forth herein provided the aggregate transaction value is less than US \$10 million.

3.5 Whenever the distribution provided for in this Section shall be payable in securities or property other than cash, the value of such distribution shall be the fair market value of such securities or other property as determined in good faith by the Board of Directors.

Fax Audit No.: H03000325301

**SECTION 4. *Redemption.***

4.1 At the individual option of each holder of shares of Series A Preferred Stock, the Corporation shall redeem, on November 30 of each year commencing with 2007 and continuing thereafter (each a "Series A Redemption Date"), the number of shares of Series A Preferred Stock held by such holder that is specified in a request for redemption delivered to the Corporation by the holder on or prior to the October 1 immediately preceding the applicable Series A Redemption Date, by paying in cash therefor, \$0.35 per share of Series A Preferred Stock (as adjusted for any stock dividends, combinations or splits with respect to such shares) plus all declared or accumulated but unpaid dividends on such shares (the "Series A Redemption Price"); provided, however, that the Corporation shall not be required under this Section 4.1 to redeem from any particular holder in connection with the initial Series A Redemption Date such holder's shares of Series A Preferred Stock are being redeemed, a number of shares of Series A Preferred Stock greater than 50% of the aggregate of shares of Series A Preferred Stock held by such holder immediately prior to such redemption.

4.2 As used herein and in Sections 4.3 and 4.6, the term "Redemption Date" shall refer to the "Series A Redemption Date." At least 15 but no more than 30 days prior to each Redemption Date written notice shall be mailed first class postage prepaid, to each holder of record (at the close of business on the day next preceding the day on which notice is given) of the Series A Preferred Stock to be redeemed, at the address last shown on Corporation for such holder, notifying such holder of the redemption to be effected, specifying the number of shares to be redeemed on such Redemption Date, the Redemption Price, the place at which payment may be obtained and calling upon such holder to surrender to the Corporation, in the manner and at the place designated, his certificate or certificates representing the shares to be redeemed (the "Redemption Notice"). Except as provided in Section 4.3, on or after the Redemption Date, each holder of Series A Preferred Stock to be redeemed shall surrender to this Corporation the certificates representing such shares, in the manner and at the place designated in the Redemption Notice, and thereupon the Redemption Price of such shares shall be paid to the order of the person whose name appears on such certificates as the owner thereof and each surrendered certificate shall be cancelled. In the event less than all the shares represented by any such certificate redeemed, a new certificate shall be issued representing the unredeemed shares.

4.3 From and after the Redemption Date, unless there shall have been default in payment of the Redemption Price, all rights of the holders of Series A Preferred Stock designated for redemption in the Redemption Notice (except the right to receive the Redemption Price without interest upon surrender of their certificate or certificates) shall cease with respect to such shares, and such shares shall not thereafter be transferred on the books of the Corporation or be deemed to be outstanding for any purpose whatsoever. If the funds of the Corporation legally available for redemption of shares of Series A Preferred Stock on any Redemption Date are insufficient to redeem the total number of shares of Series A Preferred Stock to be redeemed on such date, those funds which are legally available will be used to redeem the maximum possible number of such shares ratably among the holders of such shares to be redeemed based upon

Fax Audit No.: H03000325301

their holdings of Series A Preferred Stock. The shares of Series A Preferred Stock not redeemed shall remain outstanding and entitled to all the rights and preferences provided herein. At any time thereafter when additional funds of the Corporation are legally available for the redemption of shares of Series A Preferred Stock such funds will immediately be used to redeem the balance of the shares which the Corporation has become obliged to redeem on any Redemption Date, but which it has not redeemed.

4.4 If the Corporation has called shares of Series A Preferred Stock for redemption but funds of the Corporation legally available for redemption are insufficient to redeem (1) the Series A Preferred Stock required to be redeemed on a Redemption Date and (2) shares of Series B Preferred Stock, Series C Preferred Stock or other capital stock that the Corporation is then required to redeem, those funds which are legally available will be used to redeem shares owned by the holders of such Series A Preferred Stock and such other stock called for redemption, pro rata based on the relative amounts of the aggregate redemption prices otherwise payable to each such holder to the extent that sufficient funds are not available to redeem all such shares.

4.5 For purposes hereof, funds legally available to redeem Series B Preferred Stock or Series C Preferred Stock means funds that may lawfully be applied to redeem the Series B Preferred Stock or Series C Preferred Stock, but shall exclude any funds that payment of which would cause the Corporation to have less than \$500,000 cash if applied to redeem shares of the Corporation's capital stock.

4.6 On or prior to each Redemption Date, the Corporation shall deposit the Redemption Price of all shares of Series A Preferred Stock designated for the redemption in the Redemption Notice and not yet redeemed with a bank or trust corporation having aggregate capital and surplus in excess of \$100,000,000 as a trust fund for the benefit of the respective holders of the shares designated for redemption and not yet redeemed, with irrevocable instructions and authority to the bank or trust corporation to pay the Redemption Price for such shares to the respective holders on or after the Redemption Date upon receipt of notification from the Corporation that such holder has surrendered his share certificate to the Corporation pursuant to Section 4.3 above.

4.7 As of the Redemption Date, the deposit shall constitute full payment of the shares designated in the Redemption Notice to their holders, and from and after the Redemption Date the shares so called for redemption shall be redeemed and shall be deemed no longer outstanding, and the holders thereof shall cease to be stockholders with respect to such shares and shall have no rights with respect thereto except the right to receive from the bank or trust corporation payment of the Redemption Price of the shares, without interest, upon surrender of their certificates therefor. Such instructions shall also provide that any monies deposited by the Corporation pursuant to this Section 4.7 for the redemptions of shares thereafter converted into shares of the Corporation's Common Stock pursuant to Section 4.1 hereof prior to the Redemption Date shall be returned to the Corporation forthwith upon such conversion. The balance of any monies deposited by the Corporation pursuant to this Section 4.6 remaining

Fax Audit No.: H03000325301

unclaimed at the expiration of two (2) years following the Redemption Date shall thereafter be returned to the Corporation upon its request expressed in a resolution of its Board of Directors.

#### SECTION 5. *Voting Rights; Directors*

5.1 Each holder of shares of the Series A Preferred Shares shall be entitled to the number of votes equal to the number of shares of Common Stock into which such shares of Series A Preferred Stock could be converted and shall have voting rights and powers equal to the voting rights and powers of the Common Stock (except as otherwise expressly provided herein or as required by law, voting together with the Common Stock as a single class) and shall be entitled to notice of any stockholders' meeting in accordance with the Bylaws of the Corporation. Fractional votes shall not, however, be permitted and any fractional voting rights resulting from the above formula (after aggregating all shares into which shares of Series A Preferred Stock held by each holder could be converted) shall be rounded to the nearest whole number (with one-half being rounded upward). Each holder of Common Stock shall be entitled to one (1) vote for each share of Common Stock held.

5.2 The total number of directors shall not be increased above five without the vote or consent of the holders of the outstanding shares of Series B Preferred Stock. The holders of the Series B Preferred Stock shall be entitled to elect one director (the "Series B Director"). The holders of the Series A Preferred Stock and the holders of the Common Stock, voting together as a single class, shall be entitled to elect two directors. Each of the remaining two directors shall be elected by a vote of (1) the holders of Series B Preferred Stock, and (2) the holders of the Series A Preferred Stock and the holders of the Common Stock, voting together as a single class (with such election requiring the approval of both (1) and (2) each voting as a separate class).

5.3 In the case of any vacancy in the office of a director occurring among the directors, the vacancy shall be filled by the remaining directors elected by the voting group(s) that elected the departed director, or if there are no such remaining directors, by the voting group(s) that elected the departed director.

#### SECTION 6. *Conversion.*

6.1 The holders of the Series A Preferred Stock shall have conversion rights as follows (the "Conversion Rights"):

6.2 *Right to Convert.* Each share of Series A Preferred Stock shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share at the office of the Corporation or any transfer agent for such stock, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing \$0.35 by the Conversion Price applicable to such share, determined as hereinafter provided, in effect on the date the certificate is surrendered for conversion. The price at which shares of Common Stock shall be delivered upon conversion of shares of the Series A Preferred Stock (the "Series A Conversion Price")

Fax Audit No.: H03000325301

shall initially be \$0.32 per share of Common Stock. Such initial Series A Conversion Price shall be adjusted as hereinafter provided.

**6.3 Automatic Conversion.** Each share of Series A Preferred Stock shall automatically be converted into shares of Common Stock at the then-effective Series A Conversion Price upon the earlier of (i) the date specified by vote or written consent or agreement of holders of at least two-thirds (2/3) of the shares of Series A Preferred Stock then outstanding, or (ii) immediately upon the closing of the sale of the Corporation's Common Stock in a firm commitment, underwritten public offering registered under the Securities Act of 1933, as amended (the "Securities Act"), other than a registration relating solely to a transaction under Rule 145 under such Act (or any successor thereto) or to an employee benefit plan of the Corporation, at a public offering price (prior to underwriters' discounts and expenses) equal to or exceeding \$5.00 per share of Common Stock (as adjusted for any stock dividends, combinations or splits with respect to such shares) and the aggregate proceeds to the Corporation and/or any selling stockholders (after deduction for underwriters' discounts and expenses relating to the issuance including without limitation fees of the Corporation's counsel) of which exceed \$7,500,000.

**6.4 Mechanics of Conversion.**

(a) Before any holder of Series A Preferred Stock will be entitled to convert the same into shares of Common Stock, he shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Corporation or of any transfer agent for such stock, and shall give written notification at such office that he elects to convert the same and shall state therein the name or names in which he wishes the certificate or certificates for shares of Common Stock to be issued. The Corporation shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Series A Preferred Stock, a certificate or certificates for the number of shares of Common Stock to which he shall be entitled as aforesaid. Such conversion shall be deemed been made immediately prior to the close of business on the date of surrender of the shares of Series A Preferred Stock to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on such date.

(b) If the conversion is in connection with an underwriting of securities pursuant to the Securities Act, the conversion may, at the option of any holder tendering shares of Series A Preferred Stock for conversion, be conditioned upon the closing with the underwriters of the sales of the securities pursuant to such offering, in which event the person(s) entitled to receive Common Stock upon conversion of the Series A Preferred Stock shall not be deemed to have converted such Series A Preferred Stock until immediately prior to the closing of such sale of securities.

Fax Audit No.: H03000325301

**6.5 Adjustments to Series A Conversion Price for Certain Diluting Issues.**

(a) If and whenever the Corporation issues or sells, or in accordance with this Section 6.5 is deemed to have issued or sold, any shares of Common Stock for a consideration per share less than the Series A Conversion Price in effect immediately prior to the time of such issue or sale, then immediately upon such issue or sale or deemed issue or sale the Series A Conversion Price shall be reduced to an amount determined by dividing (a) the sum of (i) the product derived by multiplying the Series A Conversion Price in effect immediately prior to such issue or sale by the number of shares of Common Stock Deemed Outstanding (as defined below) immediately prior to such issue or sale, plus (ii) the consideration, if any, received by the Corporation upon such issue or sale, by (b) the number of shares of Common Stock Deemed Outstanding immediately after such issue or sale. "Common Stock Deemed Outstanding" means, at any given time, the number of shares of Common Stock actually outstanding at such time, plus the number of shares of Common Stock deemed to be outstanding assuming exercise and/or conversion of the Corporation's Options (as defined below) and Convertible Securities (as defined below), whether or not such Options or Convertible Securities are actually exercisable at such time.

(b) Notwithstanding any provision of this Section 6.5(a), there shall be no adjustment to the Series A Conversion Price hereunder with respect to:

(1) the issuance or deemed issuance of Common Stock or Options to employees, officers, directors or consultants of the Corporation and its subsidiaries pursuant to stock incentive plans or arrangements approved by a majority of the Board of Directors, including the Series B Director;

(2) Issuances to equipment lessors, banks or institutional credit sources pursuant to plans or arrangements approved by a majority of the Board of Directors, including the Series B Director;

(3) Issuances to third parties in connection with acquisitions or strategic alliances pursuant to plans or arrangements approved by a majority of the Board of Directors, including the Series B Director;

(4) the issuance of Series B Preferred Stock at a purchase price of \$0.284 per share;

(5) any adjustment to the conversion price of the Series B Preferred Stock or Series C Preferred Stock;

(6) the conversion of shares of Series B Preferred Stock or Series C Preferred Stock;

(7) any dividend or distribution on Series A Preferred Stock, Series B Preferred Stock or Series C Preferred Stock;

Fax Audit No.: H03000325301

(8) the exercise or conversion of Options or Convertible Securities outstanding on the date of filing of these Articles of Amendment with the Florida Department of State; or

(9) any event for which adjustment of the Series A Conversion Price is made pursuant to Section 6.7 or Section 6.8.

**6.6 Effect on Conversion Price of Certain Events.** For purposes of determining the adjusted Series A Conversion Price under Section 6.5 above, the following shall be applicable:

(a) *Issuance of Rights or Options.* If the Corporation in any manner grants or sells any rights, warrants or options to subscribe for or purchase Common Stock or Convertible Securities (as defined below) ("Options") and the price per share for which Common Stock is issuable upon the exercise of such Options, or upon conversion or exchange of any stock or securities directly or indirectly convertible into or exchangeable for Common Stock ("Convertible Securities") issuable upon exercise of such Options, is less than the Series A Conversion Price in effect immediately prior to the time of the granting or sale of such Options, then the total maximum number of shares of Common Stock issuable upon the exercise of such Options or upon conversion or exchange of the total maximum amount of such Convertible Securities issuable upon the exercise of such Options shall be deemed to be outstanding and to have been issued and sold by the Corporation at the time of the granting or sale of such Options for such price per share. For purposes of this paragraph the "price per share for which Common Stock is issuable" shall be determined by dividing (A) the total amount, if any, received or receivable by the Corporation as consideration for the granting or sale of such Options, plus the aggregate amount of additional consideration payable to the Corporation upon exercise of all such Options, plus in the case of such Options which are exercisable for Convertible Securities, the aggregate amount of additional consideration, if any, payable to the Corporation upon the issuance or sale of such Convertible Securities and the conversion or exchange thereof, by (B) the total number of shares of Common Stock issuable upon the exercise of such Options or upon the conversion or exchange of all such Convertible Securities issuable upon the exercise of such Options. No further adjustment of the Conversion Price shall be made when Convertible Securities are actually issued upon the exercise of such Options or when Common Stock is actually issued upon the exercise of such Options or the conversion or exchange of such Convertible Securities.

(b) *Issuance of Convertible Securities.* If the Corporation in any manner issues or sells any Convertible Securities and the price per share for which Common Stock is issuable upon conversion or exchange thereof is less than the Conversion Price in effect immediately prior to the time of such issue or sale, then the number of shares of Common Stock issuable upon conversion or exchange of such Convertible Securities shall be deemed to be outstanding and to have been issued and sold by the Corporation at the time of the issuance or sale of such Convertible Securities for such price per share. For the purposes of this paragraph, the "price per share for which Common Stock is issuable" shall be determined by dividing (A) the total

Fax Audit No.: H03000325301

amount received or receivable by the Corporation as consideration for the issue or sale of such Convertible Securities, plus the aggregate amount of additional consideration, if any, payable to the Corporation upon the conversion or exchange thereof, by (B) the total number of shares of Common Stock issuable upon the conversion or exchange of all such Convertible Securities. No further adjustment of the Conversion Price shall be made when Common Stock is actually issued upon the conversion or exchange of such Convertible Securities, and if any such issue or sale of such Convertible Securities is made upon exercise of any Options for which adjustments of the Conversion Price had been or are to be made pursuant to other provisions of Section 8.5 no further adjustment of the Conversion Price shall be made by reason of such issue or sale.

(c) *Change in Options Price or Conversion Rate.* If the purchase price provided for in any Options, the additional consideration, if any, payable upon the conversion or exchange of any Convertible Securities or the rate at which any Convertible Securities are convertible into or exchangeable for Common Stock changes at any time, the Series A Conversion Price in effect at the time of such change shall be immediately adjusted to the Series A Conversion Price which would have been in effect at such time had such Options or Convertible Securities still outstanding provided for such changed purchase price, additional consideration or conversion rate, as the case may be, at the time initially granted, issued or sold.

(d) *Treatment of Expired Options and Unexercised Convertible Securities.* Upon the expiration of any Options or the termination of any right to convert or exchange any Convertible Securities without the exercise of any such Options or rights, the Series A Conversion Price then in effect hereunder shall be adjusted immediately to the Series A Conversion Price which would have been in effect at the time of such expiration or termination had such Options or Convertible Securities, to the extent outstanding immediately prior to such expiration or termination, never been issued.

(e) *Calculation of Consideration Received.* If any Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for cash, the consideration received therefor shall be deemed to be the amount received by the Corporation therefor (determined prior to any underwriting discounts and expenses). If any Common Stock, Options or Convertible Securities are issued or sold for a consideration other than cash, the amount of the consideration other than cash received by the Corporation shall be the fair value of such consideration, except where such consideration consists of publicly traded securities, in which case the amount of consideration received by the Corporation shall be the closing price thereof as of the date of receipt (in each case determined prior to any underwriting discounts and expenses). If any Common Stock, Options or Convertible Securities are issued to the owners of the non-surviving entity in connection with any merger in which the Corporation is the surviving corporation, the amount of consideration therefor shall be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such Common Stock, Options or Convertible Securities, as the case may be. The fair value of any consideration other than cash and publicly traded securities shall be determined in good faith by the Board of Directors.

Fax Audit No.: H03000325301

(f) *Integrated Transactions.* In case any Options are issued in connection with the issue or sale of other securities of the Corporation, together comprising one integrated transaction in which no specific consideration is allocated to such Options by the parties thereto, the Options shall be deemed to have been issued for such consideration as shall be determined in good faith by the Board of Directors.

(g) *Treasury Shares.* The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Corporation or any subsidiary, and the disposition of any shares so owned or held shall be considered an issue or sale of Common Stock.

(h) *Record Date.* If the Corporation takes a record of the holders of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in Common Stock, Options or Convertible Securities, or (B) to subscribe for or purchase Common Stock, Options or in Convertible Securities, then such record date shall be deemed to be the date of the issuance or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or upon the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.

6.7 *Adjustments to Conversion Prices for Stock Dividends and for Combinations or Subdivisions of Common Stock.* In the event that this Corporation at any time or from time to time after the date of first issuance of Series A Preferred Stock shall declare or pay without consideration, any dividend on the Common Stock payable in Common Stock or in any right to acquire Common Stock for no consideration, or shall effect a subdivision of the outstanding shares of Common Stock into a greater number of shares of Common Stock (by stock split, reclassification or otherwise than by payment of a dividend in Common Stock or in any right to acquire Common Stock), or in the event the outstanding shares of Common Stock shall be combined or consolidated, by reclassification or otherwise, into a lesser number of shares of Common Stock, then the Series A Conversion Price for any series of Preferred Stock in effect immediately prior to such event shall, concurrently with the effectiveness of such event, be proportionately decreased or increased, as appropriate. In the event that this Corporation shall declare or pay, without consideration, any dividend on the Common Stock payable in any right to acquire Common Stock for no consideration, then the Corporation shall be deemed to have made a dividend payable in Common Stock in an amount of shares equal to the maximum number of shares issuable upon exercise of such rights to acquire Common Stock.

6.8 *Adjustments for Reclassifications and Reorganizations.* If the Common Stock issuable upon conversion of the Series A Preferred Stock shall be changed into the same or a different number of shares of any other class or classes of stock, whether by capital reorganization, reclassification or otherwise (other than a subdivision or combination of shares provided for in Section 6.7 above or a merger or other reorganization referred to in Section 6.9 below), the Series A Conversion Price then in effect shall, concurrently with the effectiveness of such reorganization or reclassification, be proportionately adjusted so that the Series A Preferred Stock shall be

Fax Audit No.: H03000325301

convertible into, in lieu of the number of shares of Common Stock which the holders would otherwise have been entitled to receive, a number of shares of such other class or classes of stock equivalent to the number of shares of Common Stock that would have been subject to receipt by the holders upon conversion of the Series A Preferred Stock immediately before that change.

6.9 *No Impairment.* The Corporation will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Corporation, but will at all times in good faith assist in carrying out all the provisions of this Section 6 and in the taking of all such actions as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series A Preferred Stock against impairment.

6.10 *Certificates as to Adjustments.* Upon the occurrence of each adjustment or readjustment of any Conversion Price pursuant to this Section 6, the Corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and prepare and furnish to each holder of Series A Preferred Stock, as the case may be, a certificate executed by the Corporation's President or Chief Financial Officer setting forth the facts upon which such adjustment or readjustment is based. The Corporation shall, upon the written request at any time of any holder of Series A Preferred Stock, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Series A Conversion Price for such series of Preferred Stock at the time in effect, and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of the Series A Preferred Stock.
