To whom it may concern:

After speaking with your office, we were advised to attach a Letter explaining the reason for filing at this time. We informed your office that our Business did not open until February, We were under the impression that filing would be due in January of next year. Also, we did not receive any letter indicating we had to file before May, until receiving the UBR last week. Our Accounting was responsible for the filing and did not file as well. We apologize for our misunderstanding and have attached the application with fee required.

Thank you for your consideration and assistance in this matter.

Sincerely

A handwritten signature in cursive script, appearing to read 'Sam Rached', enclosed within an oval shape.
