Document # P01000034801

As per the directive from corhelp dated 8/12/2003, copy of transmittal enclosed, I have enclosed the uniform business report complete with the regular filing fee payment of \$ 150.

Please be advised that I never received the original invoice and was only aware of being late when the latest statement arrived. I would request the late fee of \$400 be waived and that I would suggest in the future of sending these documents by registered.

Yours truly;

*Warren Treasure*

**Subject:** RE: Corporation fee

To request that this office waive the late fees assessed to the corporation, please submit the uniform business report, along with the regular filing fee and a letter explaining why the uniform business report was filed after May 1, 2003. Our office will review the letter and determine whether or not the late fee can be waived. If it can, the document will be processed. If it cannot be waived, the document will be returned with a letter requesting the late fee be paid. **Generally, the only provision this office has in waiving the late fees is if the corporation never received the original uniform business report in the mail and states that in writing.**

Thanks,

Lee

**Subject:** Corporation fee

I have invoices from the Florida department of State Division of Corporation for two business. 1. Treemar Inc- P02000063311 2. A Plus Home Inspections Of Tampa Bay- P01000034801 which are up for renewal for \$ 550.00 which I understand would have been \$ 150 if it was paid by May 1/2003. Please be advised that I never received the original notification and was only aware of being late when the latest statement arrived. Do I have any recourse due to the situation of paying the \$ 150 to get me up to date. Something as critical as these documents should be sent by registered mail.-----
