To the DEPARTMENT OF STATE, DIVISION OF CORPORATIONS,

Thank for your time in reading this correspondence. I am writing you in regards to the additional fee place upon the filing of the uniform business report, after the date of May 1, 2002. I wish to not pay it at this time so that I may explain the delay in filing our Corporations report. I did receive your notice for the May 1st deadline, but embarrassingly misplaced it. Then the other notice came and was placed in the payable box. Due to some level of honest naiveness, I thought that this notice was the first one, even though I did remember something about May 1st. Being that this is our first year in business as a Corporation I hope your could see how confusing it can be with all the additional paper work involved. Here at Custom Joinery and Millwork we take great pride in reporting all necessary information to the proper institutions, whether its regarding sales and the accompanying tax or employee payroll liabilities. Along these line of thinking I would like to convey our thoughts that being responsible does have levels of liability that cannot be denied. However, in this matter it is our wish that you accept this misunderstanding as a honest mistake and do not access this penalty as a punishment that would, at this time hinder our growth as a legitimate entity engaged in the growth of a better Florida.

Once again, thank you for your time and please find enclosed the original filing fee of \$150.00. I will await your correspondence regarding the matter outlined above.

Yours truly,

Robert F. Peacock

President; Custom Joinery and Millwork INC.
