To whom it may concern,

As I was renewing my business ins the other day my broker told me that according to the Sun Biz website my corporation was closed. I called immediately and spoke with a woman who told me this was true. The woman and myself then found that she had the wrong address on file. She had the address of my accountant who had set up my corporation for me prior to my move to Florida five (5) years ago. He moved about six months after setting up this corp for me. Therefore I have never received any correspondence from your organization. I did not realize there was a yearly fee. The corporation I had in New Jersey for twenty years had no yearly fee, so I never even new I had to pay this yearly fee here. The woman on the phone told me to send a letter explaining this and to ask for reinstatement of the corporation and include a check for the back years. She also told me to ask to have the penalty fee waved because the address was incorrect.

In closing please find a check for the back years amount. Please notify me that you have received this letter. I apologize for this mix up.

New and correct address for the corporation is
