of the fact that he is or was a Director, Officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement, actually and reasonably incurred by him in connecting with such action, suit or proceeding, including any appeal thereof, if he acted in good faith or in a manner he reasonably believed to be in or not opposed to the best interest of the Corporation, and with respect to any Criminal action or proceeding, if he has no reasonable cause to believe his conduct was unlawful. However, with respect to any action by or in the right of the Corporation to procure a judgment in its favor, no indemnification shall be made in respect of any claim, issue or matter as to which such person is adjudged liable for negligence or misconduct in the performance of his duty to the Corporation unless, and only to the extent that, the Court in which such action or suit was brought determines, on application, that, despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity in view of all the circumstances of the case. Any indemnification hereunder shall be made only on a determination by a majority of disinterested directors that indemnification is proper in the particular circumstances because the party to be indemnified has met the applicable standard of conduct. Determination of any action, suit or proceeding by judgment, order settlement, conviction, or on a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the party did not meet the applicable standard of conduct in advance of the final disposition of any action, suit or proceeding, on a preliminary determination of the Director, Officer, employee, or agent met the applicable standard of conduct and in receipt of any undertaking by or on behalf of the Director, Officer, employee, or agent to repay such amount, unless it is ultimately determined that he is entitled to be indemnified by the Corporation as authorized in this section.

C. The indemnification provided for herein shall continue as to any person who has ceased to be a Director, Officer, employee, or agent, and shall inure to the benefit of the heirs, executors, and administrators of such person.

D. In addition to the indemnification provided for herein, the Corporation shall have power to make any other or future indemnification, except an indemnification against gross negligence or willful misconduct, under any resolution or agreement duly adopted a majority of disinterested directors, or duly authorized by a majority of stockholders.

E. If any expenses or other amounts are paid by way of indemnification, other than by court order or action by the stockholders, the Corporation shall not later than the time of delivery to the stockholders of written notice of the next annual meeting, unless such meeting is held within three (3) months from the date of such payment, and, in any event, within fifteen (15) months from the date of such payment, deliver by mail to each stockholder of record at the time entitled to vote for the election of Directors, a statement specifying the persons paid, the amount paid, and the nature and status at the time of such payment of the litigation or threatened litigation.
