To Whom It May Concern:

This letter is to inform your department of the reasoning for filing this form after the due date. I have recently moved offices and subleased the space where my corporations are registered, since I only leased it for a short period of time I did not feel it necessary to change all addresses for mail and record keeping purposes. The tenant was acting in good faith and bringing all the mail for a couple of months, then he left and I did not hear word from him, at any rate during this time I assume the filing paperwork came and I did not receive it. I just received the second notice to file to keep the corporations active but the fee is \$550.00, I have six companies that need to be filed and at this rate I cannot afford to keep them active. I ask that your department take into consideration the fact I did not receive the mail and that this is my first year filing this paperwork. If I am forced to pay this fee I will have to dissolve most of my companies and I cannot afford to at this point in time. I hope this letter is sufficient to accept my tardiness as I would like my companies to remain active in the state of Florida. If you need any further information please feel free to call me at 561-654-9696. Thank you for your help in this matter.

Best regards,
