To Whom It May Concern:

Originally, I did not receive my yearly uniform business report and realized it too late. I called and was instructed to download the form from the website on the internet. I did that and sent in my check for the filing fee. In the mean time, my husband and I were going through some difficult times and separated, unfortunately, he did not attend to the bookkeeping and the letter that you sent in regards to the additional filing fee got put aside. We reconciled this month and I am trying to weed through all of the paperwork that was not taken care of. I found the letter. I called your office again and they recommended that I send a letter of explanation of why we did not respond to the letter sooner. Please waive the additional \$400. In addition to everything else we are suffering a financial hardship and are trying to get back on our feet. Thank you for your understanding.
