Re: The Rose Maintenance Company  
File Number: The Rose Company: WJD:042501

Dear Sir or Madam,

Pursuant to your conversation with my assistant regarding the reinstatement of the above referenced company, enclosed please find checks totaling \$300.00, a UBR for 2002 and the following explanation as to why the UBR was not timely filed. The Company did not file a UBR in 2002 because the never received one. The office address listed for the company was mine but we did not receive it. Although we receive a small number of UBR's at our office for other companies we did not receive this one. I assumed that this was because my client had changed the address and he never realized anything was amiss until a potential client checking on his corporation informed him that it had been administratively dissolved. He immediately contacted me and we then contacted your office, we have changed the address on the enclosed UBR so that we don't have a problem with this again. Thank you for your assistance and please call our office at the above number should you have any questions.

Sincerely

  
William J. Dietz
