Dear Mr. Easom,

I was informed by the Florida Department of State that our company has been de-certified and in order to restore certification we need to fill in a "REINSTATEMENT" form.

We are to send this form, together with a check for \$750 to the Department of State and we will be back in good standing.

How did this happen? I can only tell you that we have moved our Corporate address since the 2002 filing and I have searched every file internally but the staff has repeatedly told me that we did not get the 2003 renewal notice.

I now assume it did not get forwarded to our new address.

I am asking for a hardship plea on this issue and could you please waive the penalty this one time?

I am enclosing a check for \$300 to cover a late filing but we it is vital that we maintain our registration in good standing. If you cannot waive the penalty please let me know.

Please accept my sincere appreciation for your patience in this matter,

Yours Truly,

Ken Berry
