Reference: UBR 2002 of Tile Country Corporation, P01000052836.

Dear Sirs,

My client and president of the above-mentioned corporation, is now enclosing the UBR 2002. The reason for the lateness and why we feel that the late filling penalty should be waived is due to the following:

This is only the first time this corporation has to file the UBR report since it was incorporated in 2001. Thus, this is the first time it is late. My client was not aware of the filing deadline, as this is the first time she has a corporation in Florida.

In addition, our office had the fire alarm sprinkler system go off and flood the entire office. Due to this unforeseen occurrence, many files and documents were lost, destroyed or misplaced. This is the reason the UBR is late. It was not the fault of the taxpayer nor was there any neglect or disregard for the law by the part of the taxpayer or our office. Since this is the first time that the UBR for this corporation is late, we feel that a waiver should be granted.

Please give my client a chance. Now that I have explained the filling requirements of the UBR report to her, she will be sending them on time in the future.

Thank you,

Richard F. Toro  
President
