Uniform Business Report Section

I followed your advice to file my report online as you said it was easier and faster.

I completed all the pages and completed the billing information page with my American Express Platinum card (over \$100,000 of charges allowed) and the hit the pay now button but I got back a payment error message – unable to authorize funds for payment at this time!

I called American Express and was told it was OK on their end so it must have been a problem on your end. They said wait a few days and try again. I tried several more times in February and again in March and finally gave up. So I called your office on April 2nd and was told you had my filing and to put the charge through again and it would be OK which as you can see by the April 2nd copy I did and did not get back a rejection so I assumed it was OK.

I did not hear from you until I received the late payment notice the other day so I called your office and explained the problem to the nice man who said that you had some problems back then and now to mail all the papers including all of your forms with a check for \$150.00 back to you which is what is in this package and all would be O.K. After this experience I will never file online again.

Respectfully yours,

Byron L. Fisher
