Dear Michael Milligan

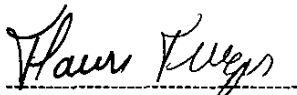

When I had made a payment for the annual renewal of my corporation for the year 2004 by error, I sent another form the renewal of the fictitious name. I call the department of corporations and let them know of the error that I had made although by that time it was to late and the fictitious name was in place, the fictitious name is the same name as our corporation.

At that point there was \$100 credit that I was told could be used towards the \$900 payment that was now necessary to renew my corporation, so I sent a check in the amount of \$800 and together with that \$100 credit would total \$900 which was the necessary payment.

My \$800 check was returned so I call the department of corporations again and was instructed to make a letter that would explain our situation .

Please help me resolve my predicament.

Respectfully
