To Whom It May Concern:

I received the attached letter stating that my annual report/UBR was not filed on time and therefore I owe a \$400 penalty. I have an issue with the penalty.

I sent in my check in late April. I post dated my check for May 1st. I was very well aware of the penalty and made sure that this check went out by May 1st. In fact, I was reminded to do this task by Lamar Gay, who use to work for the State in Tallahassee, who also helped me set up my corporation. My point is that I believe it is completely unfair to be charged a penalty, especially when I sent in my required fee on time. I don't know if it was lost in the mail or lost in your office, that I cannot tell you. However, next year I will send via federal express or registered mail to avoid this confusion.

I am asking for your office to consider that a potential third-party mistake has been made by misplacing or mishandling my letter and please waive the \$400 late fee, as I did mail it on time. I appreciate your review of this issue, I assure you that my statements are true and genuine. I eagerly await your written response so I can relieve myself of this burden.

Kindest regards,

Clint R. Guth

P.S. I appreciate your help.
