To Whom It May Concern:

Enclosed you will find four Corporate Reinstatement applications. On December 27, 2004 my application for a Fictitious Name Renewal was returned to me due to the fact that the corporation named as the owner was inactive. I was never notified that the enclosed four corporations were up for renewal of that they had expired. Per a phone conversation with the State I was instructed to file a reinstatement for the four corporations and include four checks in the amount of \$150.00 each. I was also instructed to include the original Fictitious Name Application. I followed all these instructions and the paperwork was received by the State on December 31, 2004. On January 10, 2005 I received all the applications back again stating it would cost an additional \$600.00 to reinstate them. I again called the State and was instructed to send another letter attached to each reinstatement with an explanation and requesting that the reinstatement fees be waived due to the fact I never received notification of the renewal. Even though the four applications were returned the original four checks #3796, #3795, #3794, #1143 in the amount of \$150.00 each were not returned. Therefore I am requesting these checks be applied to the four 2004 renewal and that the reinstatement fees be waived. I have also enclosed four additional checks in the amount of \$150.00 each for the 2005 renewals.
