Good Morning,

The first notice that we received for the Uniform Business Report informed us of a \$450 filing fee. When we discussed this with an accountant it seems that there was a previous form that should have been completed. As this is the first notice we received, we are not sure what we should do.

This is our first year as a corporation and we are gaining experience as we go. We are very sorry for being late with the filing and promise that we will file on time in the future. I understand the original filing amount is \$150 which we have enclosed. Please accept this filing fee and in the future we will make sure we file on time each year.

Thank you.
