To Whom It May Concern;

Web Development

I would like to first apologize for the late return of my Uniform Business Report (UBR). This is my first time filing this report for with the state of Florida, and I confused the filing date with another form for the DMV, which is to be filed this month as well. If at all possible, I would like to ask for leniency as for the \$400.00 late fee. After relocating from Los Angeles, arriving in Florida on September 10, 2001, we have had almost no business for the last eight months. I have come very close to filing bankruptcy with this company, and cannot afford the penalty, but really would like to see it work in this state.

I feel that the economy is starting to pick up, and people are starting to feel more comfortable about spending some of their money. I also realize that the trend is going to move slow, and being in the IT industry, there are still many of us out of work, and working for a fraction of our original salaries. I will make sure that I do not file this report late again, and I appreciate any compassion I may receive from the Division of Corporations.
