To whom it may concern,

We set up our corporation International Auto Center Inc on July 23, 2001. At the end of that year we had not yet started doing business as a corporation due to the lack of the required permits. At that time I called this office to find out what forms would need to be filed. I was told none because we had not started doing business. That is the reason why the appropriate forms have not been filed with this office on a timely fashion. The corporation has been set inactive because of that failure. We have now acquired the required permits and are ready to start doing business and we need to reactivate the corporation. I was hoping that because I was given the wrong information at least some of the fees could be waved or at least reduced.

Thank you,

Gianny Capriolo
International Auto Center Inc
President.
