RE: P1000073314 Affordable Dental Center of Boynton Beach, Inc.

Enclosed please find a second copy of our corrected 2002 UBR. Upon receiving your request for our missing EIN on said form we promptly responded to your office. We assumed that your office had received our corrected form until we were informed that our corporation had been administratively dissolved. We subsequently contacted your office and explained that we had not received any additional notices regarding this situation, prior to the notice of dissolution, and were instructed to re-file a copy with your office and our corporation would be reinstated. As you can see the original form and fees were filed on a timely basis and we would certainly not let our corporation be dissolved for lack of providing an EIN.

Thank you in advance for your help in this matter. If you need any further assistance in this matter do not hesitate to contact us.
