To Whom it May Concern,

In a phone conversation I had on August 9th I was informed that since I had not received the original mailing, all I needed to do was send in this letter explaining what had happened, and a check for 150.00 Thank you in advance for your help in this matter.

Dear Sir,

I would like to apologize for any set backs or confusion in maintaining this corporation. This is all pretty new to me and I am getting more familiar with the process.

I Called to find out that I neglected to list myself as the owner of my company and as a result received a Notice of Administrative Dissolution. The gentleman I had spoken to said that computer records showed that all other fees and documents were up to date — I only needed only to list myself as owner and sign.

I hope this puts everything back on track. Thank you.

Sincerely,

Dale Potruski 904-992-4994
