Re: Error in online filing

Hi Justin,

As per our discussion over the phone, I am sending a check (enclosed) for \$150.00 for my Uniform Business Filing Report, Document #P01000076980.

As I mentioned to you, I tried to pay this online, but later received notification that it was still due. When I called the DOC to inquire about it, the man I spoke to checked something and could tell that I had attempted to pay, but that it had not gone through.

I made a copy of the page that showed the confirmation number of my second attempt, but as I mentioned to you over the phone, now I can't find it. I would think though that there's a way to find that number on your end.

At any rate, I think it's best if I just mail in a paper check from now on and give up on the online filing, as something has gone wrong, either on my end or yours, two times now. I can't tell if I'm typing something in wrong, or if there's some sort of computer or internet error, but to be safe, I'm going back to the old way of paying from now on.

Thank you for your help and advice,
Dave Andrews
