Dear Bill,

After considerable thought and soul-searching, I have decided to resign from Florida Metal Works, Inc. and StormProJax.Com, Inc. I assure you it was not an easy decision to make.

I have transferred the 800 number to you in the interim. I will make arrangements to have service of the telephone transferred to you should you choose to get a business phone installed at your residence. Please respond to this effect. I will cancel service upon receipt of next bill. I will also have a package sent to you with all business related information that I have gathered or received, i.e., Incorporation papers, EINs from IRS, etc... Please expect this package within the next week.

I have given this considerable thought, and think it best that I go on my way and dissolve any possibilities of building a business.

I have also taken measure to send a copy to Department of Corporation, State of Florida. You will need to send a change for registered agent, as I can not do so after the fact.

I value the experience I have received from you.

Sincerely,

Brian S. Newton
