Re: UBR-Filing.

To whom it may concern;

As the executive and founder of a brand new company I have to travel a great deal on business.

As such I am not always available at my home office to take care of important business things like a timely filing of the UBR. I have asked my accountant to be sure and make sure that documents like this are properly filed on a timely basis. I assure you they will be in the future.

I have enclosed my check for \$150.00 for the first time filing and hope there will be many more coming to you, all on time.

Thank you for your consideration for this error.

Sincerely yours;
Carr Technology
