Dear Sirs,

I am informing you that I did not receive any notice concerning continued status of my corporation Virtu Inc. in Florida. I have had problems with the receiving of mail and have tried several times to rectify the situation with the postal service. We are now getting our forward mail. Please view the address above as correct mailing of any further material. Also, I am filing a "uniform business report" to change address and remove Nancy Rodriquez from Virtu Inc.

Enclosed you will find a check for \$150.00. If there is any other matter concerning update or changes required by the state, please notify me.

Thank You,

Alison Rockett Frase
