RE: Filing UBR and Notification

Dear Sirs:

We received notice our UBR report in mid June to have our report filed by September. I took note of the file date and was preparing to send a check and noticed the filing amount was \$500.00. I thought this amount was incorrect. I telephone your office to see if this was an error. State Corporations office informed me if I was charged incorrectly write your office explaining why I was billed incorrectly and it will be reviewed.

My file indicates the two UBR reports were sent to us requesting money and filing dates in September 2002 and no sixty notices to dissolve was received. Our company incorporated August 2001. We are a new company and I submit it may have been an oversight on our part or we did not receive the first filing or notices. Enclosed is my-UBR report and \$150.00 for filing could you please assists me in this matter.

Wayne Sessions

President
