## STATEMENT OF REASONABLE CAUSE

The President of the said entity hereby requests an abatement of penalty on the attached 2004 For Profit Corporation Annual Report based upon the following:

- 1. This entity was formed in 2001.
- 2. The owner initially operated the business on his own; however, the owner has had to relocate back to Ohio in order to run his family business there.
- 3. The owner has had to change the on-site manager on several occasions. This has created difficulty in mail being forwarded to him-in Ohio.-----
- 4. Owner used the service of an Attorney to set up the corporation; however, the owner has learned that the Attorney's did not set this entity up correctly, and some elections were not timely filed.
- 5. Owner has since severed his relations with Attorney, and has had no advice on properly filing of the required documents for this entity.
- 6. Owner was not familiar with Florida laws and the need to update the corporate records on an annual basis.
- 7. Owner did not receive the postcard that became the new method for alerting Corporations of their annual obligation for renewing their entity.
- 8. Owner has now resolved the mail issue as the mailing address has been changed to his accountant that will now handle this in a timely fashion.
- 9. Owner remits herewith a check for the original amount due for a timely filing, and a separate check for the penalty of \$400.00.
- 10. Owner requests that the additional check be voided and returned as owner has set forth grounds for relief of this penalty.

Under penalties of perjury, I declare that I have examined this information, and to the best of my knowledge and belief the facts stated herein are true and correct.
