To whom it may concern:

I am writing this letter in regards to my 2002 Uniform Business Report. I started a corporation in August 2001. The name of my company is Leatherneck Guide Inc. and we work directly with the United States Marine Corps to assist Marines. In keeping along with our goal, we brought on two Marines to handle many of our financial areas. In May 2002, after many other problems we had discovered, we dismissed these two Marines. Needless to say there were many things that they did not do. This is just one of many.

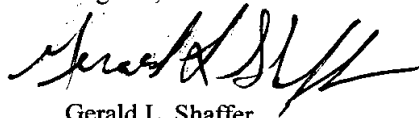

I contacted the Florida Department of State and spoke with them in regards to waiving the penalty associated with the payment. I was instructed to write a letter with a brief explanation in hope to have this waived.

With that said I will state that we are a struggling company trying to stay afloat. I really cannot afford to pay this penalty. Our company is slowly but surely getting its feet planted firmly in the ground. It is just a matter of time.

If you have any questions regarding this matter, please contact me at 904.373.0408. In addition I can provide you with contacts and phone numbers at Headquarters Marine Corps in Quantico, VA to provide more information about my company and what happened with the two Marines, as they are well aware of the situation and can provide a credible reference.

Thank you.

Regards,

Gerald L. Shaffer  
President  
Leatherneck Guide Inc.
