To Whom It May Concern:

Please accept our \$150.00 payment for the UBR. We have just entered into our second year of being a corporation. This is our first UBR and due to some confusion with the name that the Division of Corporations had for us, we didn't file it in May. Let me explain further. As you will note on the UBR we are sending today, it shows the Corporation as JAX SOFTWARE INC., which is incorrect. That name was initially entered when we domesticated our foreign corporation. We promptly had our lawyer correct it. When we received the UBR with the incorrect name, we assumed that we didn't have to do anything. When we received a second UBR, we went online and found that the incorrect company name was active and the correct one was inactive. After notifying our accountant, he informed us that we must file it right away and explain what happened.

Please accept this as a misunderstanding by a new corporation and accept our \$150.00 payment.

Thank you,

A handwritten signature in cursive script, appearing to read "Christina Blake".
