Dear Srs,

According to our phone conversation with one of your representatives, please find below what happend.

Our company was created in September 2001 and this is the first time we received the Uniform Business Report , according to this report we were supposed to pay \$550 because we did not pay \$150 for the first fee, but we never received the first report. The person we spoke to over the phone explain to us that sometimes you have mistakes with the reports and that might be the reason why we never received it, and she instructed us to pay just \$150.

Sincerely

Alex Calzadilla  
President
