To whom it may concern,

Good day! This letter is regarding the above corporation with the document number # PO1000090138. I received the forms for the Uniform Business Reports and I apologize for my lack of knowledge of being a first time business owner that I did not know this pertained to me since I have not gotten my business up and running and I did not receive the report and this also may have happened because I have moved to a different location recently. As of now I am in a better position to possibly get this off the ground and I learned that this company has been resolved and dissolution through my Bank. I was utterly confused and didn't understand why it was inactive and so I looked into this matter and was told why this has happened and I can't believe my negligence to knowing this applied to everyone whether you are up and earning a income or not. Please accept my apologies and I am very sorry this happened and if possible I would like to be reinstated as soon as possible with this enclosed check of the fee required by all business owners. I am new at this and I have been self taught and I have taken the free classes given by our Government and retired accountants that volunteer their time which is a excellent program but they never mentioned this and so I didn't think it applied to me. I did everything else by the book and I hope you can please reinstate me without any late fees. I will make sure this does happen again and stay on top of it. As a single female minority it has been difficult to get any small business start up loans and so I hope you are able to reinstate me so I can further try and pursue other avenues.

Thank you for you time, energy and efforts. If you have any questions please feel free to call me at 407-948-7115.

Sincerely,

Trisha A. Eckoff
