To Whom It May Concern:

As a brand new corporation established late in the year 2001, I am just learning the different forms and application that must be maintain for this corporation. As a result, this is the first time I am aware of this filing that as I read has to be done yearly. This form received is my first notification of this filing and as I read all the fine print, I am now aware that this had to have been filed back in the beginning of the year.

With this letter, I do ask to please waive the penalty fee for late filing as I read that can be requested on question 8 of the "frequently asked questions" section. Marisol Blooms, Inc was not fully operational until the beginning of 2002 and it is during this first year that we will get in tune with everything.

Thanks in advance.
