To whom this may concern,

5/23/03

After speaking with representatives on two separate occasions, I have made the decision to physically rectify the problem I seem to be having in regard to the Uniform Business Report on my two businesses which are both included in this package. I have been consistently checking both business accounts to confirm payment of these important reports. Neither checks have cleared. The representatives have told me to be patient and wait for them to get to everyone's filings. It is now over a month after I sent the package out and I have now begun to panic. Since both forms and checks have been sent in the same package, I can only assume it has never reached your office. I printed out new forms from the internet and re-wrote new checks in the hopes that it gets filed properly as these businesses are still active. Please, if there is anything you can do to expedite this process, I would appreciate it greatly. This package has been sent registered so I know for a fact that it has reached your office safely. Thank you for your consideration.
