- Dear Division of Corporations ,

Hello ,I am writing this note to explain why I am sending in this payment late.

When I discovered what was going on with this document I called the number on it and talked with a lady , she said If I try to explain to you what happened it might help. So this is why it is late.

When I got my Incorporation ,I was told that the papers would not come in until December, so I was waiting for them . In the mean time, I was and am having trouble with my business right now and am working other jobs to make up for it. Consequently, I have been ill and fatigued by this as I work long hours and not enough money to stretch my Credit Card Payments. As I was doing Fine with everything until the 911 NY tragedy also put a Halt to my retail sales. That is why I have been working as a Cocktail waitress in Daytona. I am NOT proud of it, but I have to eat. Meanwhile , I AM building my business back up. And starting a new line of work with it. So I want to keep it.

Anyway, I was Very Very ill when this note came in I didn't know what the papers were for. I had planed on calling and finding out what to do. But time got away from me , and when My job lightened up on me I have found that I am now late.

Please understand that I am working with a Handicap, and Am pulling myself out of a trauma of years of illness due to a burst appendix, But one they did not find for three years. So five years of my life was in the hospitals and so on. That is why I get fatigued and there are time's I cant see or think. I have to zero in on what I am doing and nothing else. I was upset at having to stop my retail for a temp while , and work elsewhere. This business is my therapy, and has pulled me out of a lot of my problems. I feel I need it. But Now I AM building back my business with Photography and video, I will be ok soon.

I don't like having to tell you all this but it is the truth, I finally got my big brake and want to keep it. So I hoping that you will except my payment of \$150.00 . If not then let me know and I will get up the rest of it somehow. I am sorry for the lateness, I just had to many people pulling at me and got confused. My credit card people call me everyday and yell at me. It is not easy to take. But I am talking with debt consolidation now as well. Ok , Thank you for your time.

Sincerely,

Patricia Young
