Re: Petition of late fee for Uniform Business Report Filing

To Whom It May Concern:

I am the owner and president of The Outdoor Company, Inc. and I received the 2002 Uniform Business Report in the mail around the beginning of July. It alerted me that my company had evidently missed the deadline to file the report and that I had 60 days to do so and also that there was a late fee attached to the filing fee.

I never received the prior notice that would have made me aware of such a report and filing fee. Being that this is the first year I have ever been in business for myself, I was not aware that such a report needed to be filed and as such I was not aware to even be on the look out for a notice from the Florida Department of State.

I read in the frequently asked questions section that if I never received the prior notice that I could send in a letter explaining that I did not receive it and that the late fee would be waived as long as I paid the original filing fee of \$150.00.

This letter is simply to ask that the late fee be waived. If there are any questions or there is anything else that I need to do or any additional information I need to provide please let me know.

My Document # is: P01000093458

My FEIN is: 59-3744901
