To whom it may concern:

To my knowledge I have never received any kind of information about this corporation payment. The first time I did get this, it was in the first week of July. I showed it to an accountant and he explained what it was and what I must do. Prior to this corporation, I went under surgery for a complete knee replacement. Do to an infection I had to go a second time for surgery. This took a great deal of stress and recovery time. When I felt better, and able to get around, I was in an automobile accident and am back under the doctor's care. I may need my other knee done because of the accident of which was not my fault. This has taken a toll on me and the business and hope you can understand my situation. If you need the names of the doctors I am seeing, I will be glad to give them to you. I am 71 years of age and my wife is 77. We are trying very hard to keep our heads above water, but the obsticals keep getting in our way.

I called as soon as I knew what this Division of Corporations was about, and was instructed to send \$150.00 and this letter.

I would appreciate your consideration and understanding in this matter. If you need any further information, please do not hesitate to ask.

Thank You

Sincerely,

Paul Stack (Pauly's)

Paul Stack, Owner/President
